## REDEFINES THE GENRE OF MULTI-PURPOSE SEATING

by **Senator**

Design PearsonLloyd

With the development of the Ad-Lib family we set out to redefine the genre of multi-purpose seating as we recognised changing needs.

The Light Work version is the ideal solution for ad hoc touch down working environments, as well as team based project meeting environments.

The inclusion of the dynamic yoke incorporates a free floating tilt action and seat height adjustment which enhances the ergonomic performance of this chair.

### STANDARD FEATURES
