

# Ad-Lib

## REDEFINES THE GENRE OF MULTI-PURPOSE SEATING

by **Senator**

Design PearsonLloyd

With the development of the Ad-Lib family we set out to redefine the genre of multi-purpose seating as we recognised changing needs. The family shares the identical seat and back structure that carries the anatomically formed seat and back plates and provides the foundation of the range.

The stacking cantilever variant is seen as a general purpose meeting chair suitable for longer duration meetings. Ideally suited in meeting, team work and conference environments.

The diversity of finish specification options together with the upholstery options give Ad-Lib a truly varied palette.

### STANDARD FEATURES

- Two piece moulded seat and back frame
- Anatomically contoured moulded seat and back panel
- Tubular steel frame in polished chrome.
- Stacking buffers

### OPTIONAL FEATURES

- Fully upholstered seat and back
- Flexible 'Hytrel' back plate
- Back frame with integral arms in a soft touch plastic.
- Under-seat stacking shroud (standard with an upholstered seat)

### FINISH OPTIONS

- Moulded plastic components available in Light Grey, Anthracite and Black
- Ad-lib can be upholstered in a broad range of contract upholstery fabrics, vinyls and leathers from The Senator Group standard upholstery collection

### PERFORMANCE STANDARDS

- EN13761:2002- 4
- ANSI/BIFMA X5.1:2011
- SCS-EC10.2-2007 Indoor Air Quality
- EN 15373:2007- L2
- GS Certificate
